DESCRIPTION: A fresh scent like a morning mist in the mountains makes this air freshener / deodorant an excellent choice for use in motels, schools, nurseries, nursing homes, etc. This product is effective in neutralizing malodors leaving a fresh scent in its place. Can be used as an air freshener or as a deodorant additive for water based cleaning products

DIRECTIONS: As an air freshener, use as is or dilute up to 1 oz. per gallon of water. Spray in a fine mist using a quart bottle with trigger sprayer. As an additive, add 1 to 2 ozs. of concentrate per gallon of water in cleaning solution, carpet extractor, carpet shampoo and mopping solutions. Product will not affect cleaning ability or detergency

EXPOSURE: This product may cause irritation to severe irritation and possible tissue damage to eyes depending on exposure. Nausea, vomiting and diarrhea may occur upon ingestion. Prolonged skin contact may cause moderate irritation, defatting, and dermatitis.

SAFETY CAUTION: It is recommended that protective gloves and safety glasses be worn when using this product. Make sure there is adequate ventilation. Refer to M.S.D.S. for additional safety information.

FIRST AID: Inhalation: Move to fresh air. Consult physician if symptoms persist. Skin: Remove contaminated clothing and wash with plenty of soap and water. Eyes: Flush eyes immediately with large amounts of water for 15 minutes. Lifting the eyelids occasionally. Get medical attention. Ingestion: Give large quantities of water then several glasses of milk. Get medical attention immediately. Induce vomiting.

STORAGE: Store in a cool dry place. Keep container closed when not in use.

This product is designed exclusively for industrial and institutional use by trained personnel. This product is sold "as is" and the manufacturer makes no merchantability, fitness for a particular purpose or otherwise.
