Restores moisture to dry, sensitive skin

Dry, sensitive skin now has found relief in PEN•KERA. Formulated by dermatologists PEN•KERA uses a unique formula to replace natural components missing in dry skin. PEN•KERA locks in moisture for up to 8 hours by penetrating the keratin layer and binding with tissue to help restore the skin's normal moisture level. If you've tried many moisturizers for your dry sensitive skin and still haven't found the one that works, it's time to try PEN•KERA.

INGREDIENTS

Water, octyl palmitate, glycerin, mineral oil, polysorbate 60, sorbitan stearate, polyamino sugar condensate, urea, wheat germ glycerides, carbomer 940, triethanolamine, DMDMH, iodo propynyl butyl carbamate, diazolidinyl urea and dehydroacetic acid.

DOSAGE

PEN•KERA Creme may be used for face and total body care. Apply in a thin layer. Use regularly to achieve vibrant, healthy looking skin.

AVAILABILITY

4 fl oz and 8 fl oz bottles.
