Moisturizes dry, stuffy noses

Dry irritated nasal passages can find relief with soothing Ayr Saline Nasal Gel. Created with ingredients chosen by ear, nose, and throat doctors, Ayr Gel is gentle and formulated to be compatible with nasal membranes. Gentle enough for babies, Ayr Gel provides year-round relief. Ayr Gel is recommended for those suffering from dryness due to travel, allergies, mouth breathing, climate, pregnancy, nosebleeds, oxygen therapy, CPAP, and respiratory infections.

INGREDIENTS

Water, methyl gluceth-10, propylene glycol, glycerin, glyceryl polymethacrylate, triethanolamine, aloe barbadensis leaf juice (aloe vera gel), PEG/PPG-18/18 dimethicone, carbomer, poloxamer 184, sodium chloride, xanthan gum, diazolidinyl urea, methylparaben, propylparaben, glycine soja (soybean) oil, geranium maculatum oil, tocopheryl acetate, blue 1.

DIRECTIONS

Apply Ayr Gel around nostrils and under nose. Ayr Gel may be placed in nostrils to help relieve discomfort. Use during the day and at bedtime to prevent drying and crusting. Use as often as needed. Store at room temperature (59°-86°F).

WARNINGS

For external use only except as directed. Avoid contact with the eyes. Keep out of reach of children.

AVAILABILITY

Ayr Saline Nasal Gel is available in 0.5 oz tubes.
