Relieves nasal congestion, alleviates pain and reduces fever

Experience relief from cold, flu, and sinusitis symptoms without drowsiness. ORNEX contains ingredients to provide fast temporary relief for congestion, headache, body aches and pain, fever and minor sore throat pain. In convenient caplet form, ORNEX contains acetaminophen to relieve pain and pseudoephedrine hydrochloride to reduce congestion. The effective decongestant helps drain nasal passages and reduce swollen nasal and sinus tissues.

INGREDIENTS

Ornex Active Ingredients: Each caplet contains Acetaminophen 325 mg, Pseudoephedrine Hydrochloride 30 mg.
Inactive Ingredients: Crospovidone, FD&C Blue 1, Hydroxypropyl Methylcellulose, Magnesium Stearate, Microcrystalline Cellulose, Polyethylene Glycol, Polysorbate 80, Povidone, Starch, Titanium Dioxide, and trace amounts of other ingredients.
Ornex Maximum Strength Active Ingredients: Each caplet contains Acetaminophen 500 mg, Pseudoephedrine Hydrochloride 30 mg.
Maximum Strength Inactive Ingredients: Crospovidone, Hydroxypropyl Methylcellulose, Magnesium Stearate, Microcrystalline Cellulose, Polyethylene Glycol, Polysorbate 80, Povidone, Starch, Titanium Dioxide, and trace amounts of other ingredients

DIRECTIONS

Ornex Directions: Adults and Children 12 years of age and over: Two caplets every 4 to 6 hours, not to exceed 8 caplets in 24 hours.
Children (6 to under 12 years of age): One caplet every 4 to 6 hours, not to exceed 4 caplets in 24 hours.
Children under 6 years of age: Consult a physician.
Ornex Maximum Strength Directions: Adults and Children 12 years of age and over: Two caplets every 4 to 6 hours, not to exceed 8 caplets in any 24-hour period.
Children under 12 years of age: Consult a physician.
Tamper-evident package features for your protection:
Each caplet is encased in a clear plastic cell with a foil back.
The name ORNEX or ORNEX MAX appears on each caplet (see product illustration on front of carton).
Do not use this product if either of these tamper-evident features is missing or broken.

- temporarily relieves nasal congestion due to a cold, sinusitis, hay fever or other upper respiratory allergies
- temporarily relieves aches and pains, headache, and reduces fever due to colds or flu.

WARNINGS

Do not exceed recommended dosage.
Overdose could pose serious health risks.

Do not use this product if you are now taking a prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric or emotional conditions or Parkinson's disease), or for 2 weeks after stopping the MAOI drug. If you do not know if your prescription drug contains an MAOI, ask a doctor or pharmacist before taking this product.

Do not take with any other products containing acetaminophen.

Alcohol Warning: If you consume 3 or more alcoholic drinks every day, ask your physician whether you should take acetaminophen or other pain relievers/fever reducers. Acetaminophen may cause liver damage.

Ask a doctor before use if you have • heart disease • high blood pressure • thyroid disease • diabetes • difficulty in urinating due to an enlarged prostate gland

Stop use and ask a doctor if • you get nervous, dizzy or sleepless • new symptoms occur • symptoms do not improve within 7 days (5 days for children 6 to 12) or are accompanied by fever that lasts for more than 3 days.

If pregnant or breast-feeding, ask a health professional before use.

KEEP THIS AND ALL DRUGS OUT OF REACH OF CHILDREN. In case of overdose, get medical help or contact a poison control center immediately. Prompt medical attention is critical for adults as well as children, even if you do not notice any signs or symptoms.

Store at room temperature (59°-86° F) in a dry place.
