

Emergency Response: Infotrac 1-800-535-5053 Revised Date: 6/14/2008 Storage Code: 30 B level 1 NFPA Hazard Ratings: Health: 1 Reactivity: 0 Flammability: 0 Personal Protect: A		Section 1 - General Information Product Name: AZ-14 Product Code: 1772 (qts)/1773 (5 gal)/1774 (20 gal) 1775 (35 gal)/ 1776 (55 gal) DOT Hazard Class: ORM-D		Section 2 - Hazardous Ingredients Chemical Name: 2-Butoxy ethanol * CAS Number/OSHA PEL/ACGIHTLV/Comments: 111-76-2 25ppm 25ppm N/A This product contains the toxic chemicals marked with an * subject to the reporting requirements of section 313 of the emergency planning and community right-to-know act of 1986 and of 40CFR372.		Section 3 - Physical Data Boiling Point(C): 212 Specific Gravity (H2O=1)(@ 25 C): 1.02 Vapor Pressure (psig @ 25 C): 18 Vapor Density (Air=1): <1 Evaporation Rate (Butyl Acetate=1): >1 pH (@ 25 C): 12.35 Solubility in water: 100% Appearance and odor: Clear liquid, floral odor		Section 4 - Fire & Explosion Data Flame Projection: Not Flammable Flash Point (TCC): None Flammable Limits % by vol LEL: N/A Flammable Limits % by vol UEL: N/A Extinguishing Media: N/A Special Fire Fighting Procedures: N/A Unusual Fire & Explosion Hazards: N/A		Section 5 - Health Hazard Data General: Toxicity information is not available for this finished product. This assessment is based on information for the components in the finished product. Threshold Limit Value: See Section 2 Regulated: No Carcinogen-NTP & IARC Program: No Symptoms of Exposure Eyes: Mild irritation Symptoms of Exposure Skin: May cause localized defatting of skin. Symptoms of Exposure Ingestion: Nausea Symptoms of Exposure Inhalation: N/A Chronic Effects of Overdose: N/A Medical Conditions Aggravated by Exposure: None known Primary route(s) of entry: Skin, Ingestion Emergency First Aid Eyes: Flush with water 15 minutes Emergency First Aid Skin: If irritated seek medical help. Emergency First Aid Ingestion: Wash with soap & water. Emergency First Aid Inhalation: If irritated seek medical help. Emergency First Aid Ingestion: Do not induce vomiting. Drink large amounts 1qt. of citrus juices, vinegar or water. Call physician immediately. Emergency First Aid Inhalation: N/A		Section 6 - Reactivity Data Stability: Stable Incompatibility: None Materials to Avoid: None Hazardous Polymerization: Will not occur Conditions to Avoid: Do not mix with strong acids. Hazardous Decomposition Products: None		Section 7 - Environmental Procedures Steps if Material is spilled: Mop up or soak with appropriate absorbent material Remove out of doors. Flush with water. Dispose of residue in accordance with federal, state and local guidelines. Waste Disposal Method: Do not reuse container. Offer drums for recycling. Place plastic bottles in trash collection after use.		Section 8 - Special Protection Information Eye Protection: Safety glasses or goggles Skin Protection: N/A Respiratory Protection: N/A Ventilation Protection: Local exhaust Other Protection: None		Section 9 - Special Precautions Hygienic Practices/Handling & Storage: Wash hands after use. Store in a cool dry place. Avoid temperatures above 120F or freezing.	
CANNON INDUSTRIAL PRODUCTS, INC. (615) 391-4046 or 1-888-879-6124 Fax: (615) 391-4051 P.O. Box 291344 Nashville, TN 37229-1344		MATERIAL SAFETY DATA SHEET FOR: Product Code: AZ-14 1772 (qts)/1773 (5 gal)/1774 (20 gal) 1775 (35 gal)/ 1776 (55 gal)		The information contained herein is based on the data available to us and is believed to be correct. Cannon makes no warranty, expressed or implied, regarding the accuracy of this data or the results to be obtained from the use of the product described. Components are listed in Section 2 if they present a physical or health hazard & are present at or above 1% in the mixture. If a component is identified as a carcinogen by NTP, IARC, or OSHA as of the date on this MSDS it will be listed and footnoted in this section when present over 0.1% in product. Negative conclusions concerning carcinogenicity are not reported. Components subject to reporting requirements of Section 313 of SARA Title III are identified in the footnotes in this section, along with typical percentages. Other components may be listed if deemed appropriate. Additional health information may be found in Section 5.
